

WALKER MOWERS

out front mowing

Oversize Decal & Truck Window Decal Program

Do you have an enclosed trailer, rear truck window or large area for attaching full color Walker photos or a graphic?

Walker provides large photos and the Walker Mowers graphic **free of charge** for Walker distributors, dealers and end-users.

Oversize Decals

- High-Profile Color Graphics
- Great for Dealership Walls
- Great for Sides and Backs of Enclosed Trailers
- Easy to Install
- Gives Professional Look to Any Mowing Crew

RH Studio Image • P/N 6895-46

LH Studio Image • P/N 6895-47

RH Action Image • P/N 6895-48

LH Action Image • P/N 6895-49

Oversize Decal Notes:

- Studio images and the logo image are contour cut around the edges with approximately 1/2" white border
- Action photos have 1/2" white border
- Studio and Action photos = 48" (w) x 35" (h), Logo image = 60" (w) x 6" (h)

Walker Mowers Logo • P/N 6895-50

Truck Window Decals

- Highly Visible Color Graphics
- Does Not Block Rear View
- Two Sizes to fit Large and Small Trucks
- Works on Solid Pane and Slider Windows
- Trims to Most Popular Truck Windows
- Easy to Install

Large Window Screen • P/N 6895-65
(Measures 70" x 20")

Small Window Screen • P/N 6895-66
(Measures 60" x 18")

Make/Model Compatibility List

Large: Chevy Sierra, Chevy Silverado, Ford F150, Ford F250-550, Dodge Ram

Small: Chevrolet S-10, Dodge Dakota, Mazda B-Series, Mitsubishi Raider, Nissan Hardbody/Frontier, Nissan Titan, Toyota Tacoma

If your truck is not on this list, take a measurement from your truck window and order accordingly.

Here's How it Works:

- Step 1: Identify and order the correct Part Numbers (see numbers and samples below)
- Step 2: Order graphics through local dealer
- Step 3: Install graphics on trailer, truck window or large, flat area
- Step 4: Take a photo of the installed graphic, give it to local dealer for submission to Walker for credit (through distributor)
- Step 5: Walker credits distributor, dealer is credited, customer is reimbursed

- All decals come with an application squeegee and mounting instructions -
